

A Graduation Gift from Home!

Please join us in honoring our high school seniors in a very special way.

Planning is now underway with KMS, Benson, and LqPV school districts; the only piece missing is you – members of our community! Please read the reverse page article and JOIN US, in starting a new community tradition of engaging our youth – and reminding them it’s never too late to come home.

There are two main ways to get involved:

- by donating a financial gift to sponsor a personalized mailbox
- by volunteering to help present the gift to graduating seniors. (Mailboxes will be personalized in school colors & logo, and include first name & hometown, and a letter – invitation from all community sponsors.)

Both options will include you/your organization in the letter – invitation to students, inviting them to make our area their home.

Please call Jennifer Frost if you’d like more information. She can be reached at the office (320) 842-4769, call or text her mobile phone (218) 330-7500, or send an email grow@co.swift.mn.us.

Thank you!
Jennifer Frost, Executive Director
Swift County RDA & GROW Board Members

GROW Grad Gift Fund

Swift County GROW, Swift County Courthouse, PO Box 207 Benson, MN 56215

YES. I would like to sponsor a mailbox for a graduating senior \$30* Other amount

*Estimated cost for all graduates is \$30/per customized mailbox, with a total of 176 graduates for Class of 2016, but any amount is appreciated. Funds raised in excess of this goal will be rolled over to fund a gift for 2017.

YES. I would like to help present mailboxes at this school**
